

## CRISIS IN STRIKE IS OVER, OFFICIAL SAYS

"The Backbone of the Illegal Walk-out is Over," Declares Vice President Patterson.

IT IS TO BE SETTLED TODAY

Secretary of Shopmen's Union Says Question Will Be Settled Today When Delegates Vote

CHICAGO, Aug. 13.—"The crisis in the railroad shopmen's strike has passed. The backbone of the illegal strike is crushed."

With telegrams before him from railroad men in every section of the country declaring that the men have already returned to work or are preparing to do so immediately, J. M. Patterson, general vice president of the railroad men's union, made the above announcement here today. At the same time Patterson congratulated the shopmen on their loyalty in conforming to President Wilson's request to return to work and settle their wage demands later.

J. H. Sanders, secretary of the Chicago round who has been directing the "illegal strike," declared Patterson's statement was "propaganda without foundation of fact," and that the strike question would be settled Thursday when delegates to the national convention vote on the question.

Backing up his claim that the strike is practically over, Patterson showed telegrams indicating all men returned to work on the Northern Pacific road except at St. Cloud and Grand Forks; all men back on the Toledo & Ohio Central; all men back in the Atlanta, Ga. district; Evansville, Ind., on the Michigan Central; except at Detroit and at numerous other places throughout the entire country.

At the office of the regional director of railroads similar reports were received.

held from the public than the reasonable requirement of a dealer demanded.

**Use the Names**

"I told them to 'light ahead and use the names,'" Mr. Palmer announced decisively. "I am interested in getting as much information on this subject to the ultimate consumer as I possibly can."

Reports to the department showed that organization of fair price committees in counties was proceeding rapidly.

The effect of the government's campaign was indicated in the revision by the war department of prices to be charged for surplus army food. Reductions were made "to meet competition by retailers."

Authority asked yesterday by Secretary Glass to use the treasury secret service in the fight against high prices was based on the use of the service in food investigations during the war.

Republican Leader Mondell of the house said today he believed congress would adopt the president's suggestion and amend the food control act so as to make it apply to other necessities.

This view is said to reflect the attitude of the majority in the house. Mr. Mondell said there was some opposition to the attorney general's request that the treasury's secret service force be made available for the job of breaking up profiteering.

side the committee events might shape up even more rapidly. After they heard from the democrats today the reservation republicans began a poll to ascertain just how many of their party they could count on in their negotiations. An early adjournment of the senate interrupted the move, but within a day or two they expect to have a more definite idea of their strength.

It was asserted there had been several additions to the group, but no senator has publicly announced his adherence to the plan since it was agreed on by the original seven senators. These seven are Senators McCumber, North Dakota; McNary, Oregon; Kellogg, Minnesota; Colt, Rhode Island; Cummins, Iowa; Lenroot, Wisconsin; and Spencer, Missouri.

The exact basis for their hope that Senator Lodge will join in the movement was not revealed by the reservation leaders.

Friends of the foreign relations chairman have declared that he would insist at least on reservations or amendments "with teeth in them" and republicans members of the committee who want to defeat the league covenant entirely declared tonight they were confident Mr. Lodge would vote with them in that proposal.

The situation in the committee may be brought to a head by the letter of Senators Johnson and Borah asking that further witnesses be called. The question probably will come up tomorrow.

Resides General Bliss and Colonel House, both of whom were members of the American peace delegation, Senators Johnson and Borah are understood to have suggested in their letter that the committee hear E. T. Williams, former head of the state department's far eastern division; S. K. Hornbeck and William C. Bullitt, all advisers to the commission who resigned while the negotiations were in progress. It has been reported that Messrs. Williams and Hornbeck left the commission because of the Shantung settlement and Mr. Bullitt because he was dissatisfied with provisions affecting Russia.

Although discussions about reservations have centered on the league covenant, the Shantung provision has not been lost sight of.

## ACTORS WALKOUT, SO THEATER IS CLOSED

Audience Was Already for Ziegfeld's Follies When Management Finds Actors Are Out Striking

NEW YORK, Aug. 13.—Striking actors tonight closed their twelfth theater in this city.

The New Amsterdam, at which Ziegfeld's Follies was being presented, was the last theater to close. Management was made that five principals—Katie Corley, John Doolley, Gus Van Joseph, Schenck and Phil Fowler—were out of the actors' union association, had "walked out." Their action followed revocation today by Supreme Court Justice Landon of an injunction obtained by Florence Ziegfeld restraining "unions" from interfering with his production, by stepping from the case.

Grumbling despite restoration of their ticket money, the audience filed out into the open-air streets.

In the Ziegfeld case Justice Landon held that no actor could be legally restrained from breaking his contract.

LOS ANGELES, Cal., Aug. 13.—"The Messenger," known to hundreds of thousands of tourists from all parts of the United States, is dead.

In the 15 years that "The Messenger" trudged through the streets of Los Angeles, probably not more than that number knew his name was Christian Krober.

Mostly a tourist who came to Los Angeles in that period missed seeing the banner he carried—bearing such phrases as "Right With God," "Christ Is Coming" and "Are You Prepared to Meet Your Savior?" for "The Messenger" walked the streets 15 hours a day.

The other day his few intimate friends missed him. They found him in his room. His hands were folded over his breast. A Bible lay beside him. And there was a little note.

"I am right with God and man."

**Use 1/2 Karo (red label) and 1/2 sugar**  
Makes perfect jams, jellies and preserves.

Many more women would do home-preserving if they could be sure that their jellies wouldn't run to liquid or get "candied."

The way to be sure is to use only half as much sugar as the recipe calls for and fill up the measure with Karo (Red Label). Karo is a wonderful help in preserving—even to the most experienced housewife.

This fine, clear white syrup has a natural affinity for the fruit juices.

It blends the juice with the sugar—brings out the full "fruity" flavor.

It insures a rich, heavy syrup in canned and preserved fruits—and firm, mellow jams and jellies without the slightest tendency to grow tough or candy in the glass.

Karo assures even the beginner of producing rich, smooth jams, jellies and preserves that any woman may be proud to serve.

For Cooking, Baking and Candy Making Karo (Red Label) is used in millions of homes. In all cooking and baking recipes use Karo instead of sugar. It is sweet, of delicate flavor, and brings out the natural flavor of the food.

## Watch the Savings Accounts Grow.

At one time during the war Exchange savers withdrew savings accounts on our advice and bought Liberty Bonds.

Savings then dropped to about \$250,000.

Then they began the climb again.

In a few weeks they were at the half million mark, then they reached \$750,000.00, then they went to \$900,000.00, and by July 1st they topped the million.

Five thousand Tulsans have saved a million dollars.

We want 20,000 Tulsans to save \$5,000,000.00

Such savings will bring stability to Tulsa. Peace, happiness, and contentment to Tulsa homes.

If you don't belong to our army of savers we invite you to join today. Suppose you can save only a dollar now and then. Save it.

Don't despise the dollar or the penny either. Remember the old adage:

"Take care of the pennies and the dollars will take care of themselves".

It's as true today as it ever was.
